

## OVERVIEW

The Little Theatre of Weston is monitoring federal, state and local guidelines. Our policies and procedures will continue to evolve dependent on the COVID-19 status at the time of each event.

## PROCEDURE

If any individual involved in a LTW event **tests positive** for COVID-19, our policy is as follows:

- The Director or a member of the Board of Trustees must be informed
- Quarantine for 5-days minimum (even if asymptomatic)
- Two negative test results must be obtained in the 72-hour period before returning to LTW

If any individual involved in a LTW event is **exposed** to COVID-19 and no symptoms are present, our policy is as follows:

- The Director or a member of the Board of Trustees must be informed
- Exposed individual(s) may return to LTW, but
  - Daily, must obtain a negative test result before merging with LTW for a duration of 5-days after exposure
  - Must be masked
  - Must observe social distancing
- If a mask must be removed and social distancing broken, the exposed individual(s) must obtain a negative test result 15-minutes prior to removing their mask or breaking social distancing
- If after 5-days the exposed individual(s) still test negative, they may remove masking and break social distancing
